Cleaners Strike Ballot

London Underground cleaners, employed by ABM are to ballot for strike action

They are demanding improved pay and conditions, more job security and free travel.

LU Pay Talks

We met with the company for our 7th day of pay talks. Branch Secretary, Lorna Tooley has been at each meeting.

LU presented their latest offer, which they have sent out to all staff.

The offer was rejected as it does not meet the demands of our pay claim.

We will return for further talks with the assistance of arbitration service, ACAS

Say No to Lone Working

Health & Safety reps from the Branch had a meeting with our Regional Organiser and NEC members about how to fight back against lone working

There have been a high number of violent crimes on the District East group and unfortunately we have seen an increase in staff assaults. We have demanded that our stations are fully staffed and that our members can work safely.

The company have committed to visiting the group to see if they will increase staff numbers. If we don't get a satisfactory outcome, we will have no choice but to take action by refusing to accept unsafe working conditions

Join Us at Pride

London Pride is taking place on Saturday 6th July. You are invited to join us march in the parade. Over a million people attend Pride each year and it is a great chance to promote the RMT. Come along and meet other RMT members and stand up for equality. Everyone is welcome to attend. Meet 12pm RMT Unity House (Kings Cross)

Making Auto Safe

Our trains reps have requested a line wide reps meeting to discuss issues with automatic running.

Changing from auto to manual numerous times during a trip could increase your chances of errors and we do not want to see anyone disciplined for this.

We need to ensure that we have the strongest agreements in place for our members and learn from other lines who have already made the switch to auto.

It is vital we avoid problems we've had in the past where new ways of working are introduced, but only reps from one depot are consulted.

Could you be a rep?
We need someone to fill the position of Union Learning Rep for the H&C/Circle Line.
Union Learning Reps assist people to access learning, whether that be formal qualifications like GCSEs or help pursuing other interests such as photography or yoga.

**Next Meeting
NEW VENUE**
The Three Lords
27 The Minories,
EC3N 1DE
Nearest stations:
Aldgate/Tower Hill

Thursday 4th July 15:30
All welcome
