

PALESTINE'S FIGHT FOR FREEDOM

BOYCOTT, DIVESTMENT, SANCTIONS (BDS)

In commemoration of International Workers' Day, the Palestinian trade union movement formed the: Palestinian Trade Union Coalition for BDS (PTUC-BDS).

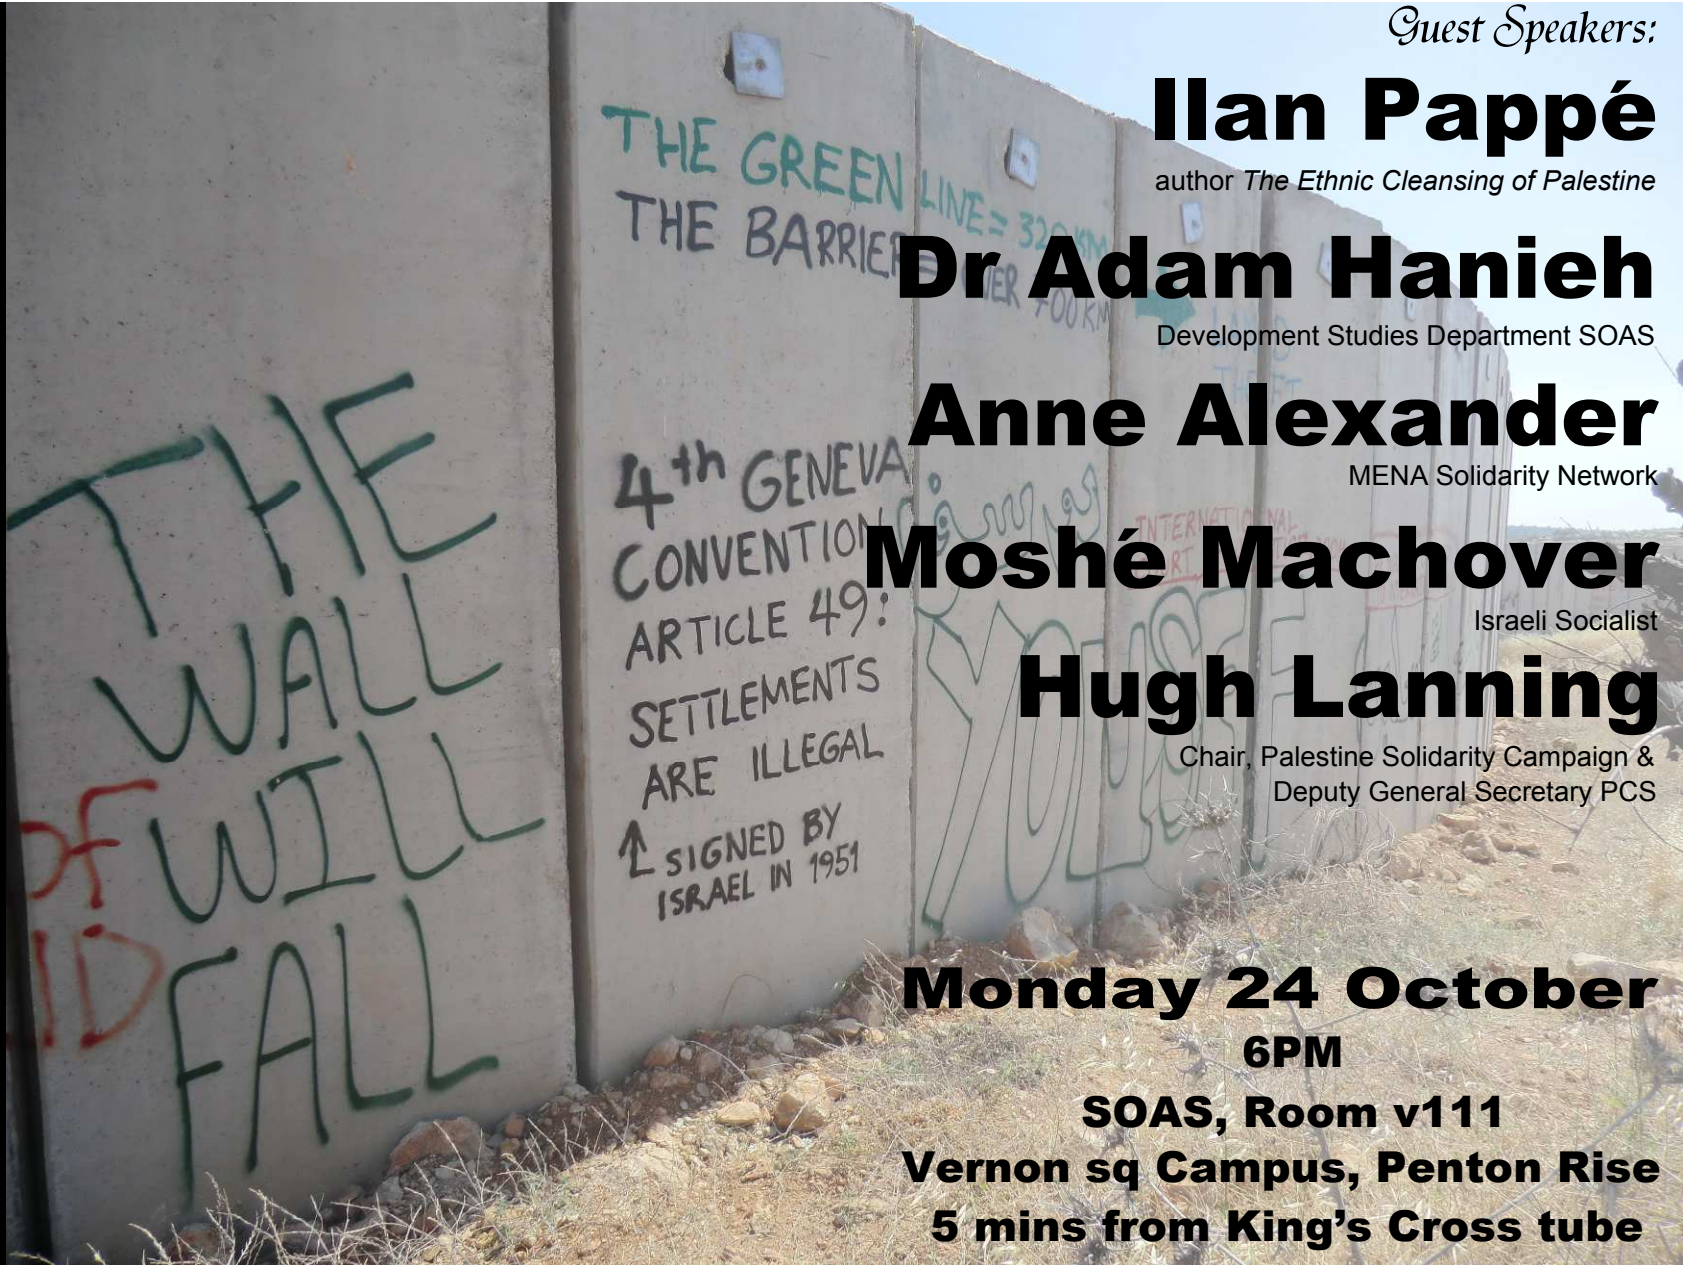

In July 2011, the London Transport Region RMT voted by 12 branches to 1 (1 abstention) to *fully* support the PTUC-BDS Statement including the call to sever inks with the Histadrut.

While the matter has been referred to our National Union for consideration we offer this meeting as an opportunity to open the debate wider still within the trade union movement.

Join the debate at this historic revolutionary juncture in the Middle East and North Africa.
