**★ Staff all Control Rooms**

**★ Guarantee More Jobs in Advance of a Review**

**★ Make all CSAs into CSA1**

Since our unprecedented station strike on 9th Jan management have finally agreed to look at RMT's demand to make all CSAs CSA1. Before the action they had simply ignored the issues around CSA1/2.

We have also had detailed discussions about overall job numbers and re-staffing control rooms.

Since the 9th we have consistently pressed LU to make a new proposal to deal with these issues but nothing has yet been put on the table. This is unacceptable. LU made the mess of Fit for the Future and they need to get on with fixing it.

Therefore the RMT NEC has called further strike action over three days starting Sunday 5 Feb. As always, your RMT negotiating team remains ready to talk and we will continue our efforts to get LU to meet our demands.
