

Notice to All RMT Ex-Metronet Members at  
Lambeth North

RMT UNION CALLS FOR STRIKE  
ACTION AND ACTION SHORT OF STRIKE ACTION.

# Vote ~ YES

## For Fair Pay & Job Security

After negotiation with RMT Metronet has decided to offer our members a PAY CUT INSTEAD OF A PAY RISE.

Metronet has offered RPI plus 1%. This means that not only do you not get a payrise next year you get a pay-cut due to prices and costs going up while your pay remains the same. Also they are planning to make some of us redundant.

In the past the RMT has negotiated to defend your jobs and a decent pay packet. All of these are possible because of our solidarity.

**We need to fight for our jobs and decent pay. This is why we must all vote 'yes' for Strike action and Action short of a strike.**

### It's Votes that Count

### You get what you fight for.

### Vote Yes or Kiss your Jobs and decent Pay good-bye.

### Please vote 'yes' – stand together for Fair Pay and Job Security
